

Your 4 'no risk' money back guarantees

Despatched when we say or your money back guarantee

When you place an order with Hills you will be given a firm date when your order will be dispatched. If for any reason Hills fail to meet their commitment to you, then you will be refunded in full to the value of your order and you will receive the goods free of charge, without fuss or quibble.

110% price and quality money back guarantee

You'll be delighted with the build quality and finish of your Hills numberplates. If you can demonstrate another number plate is better quality than Hills Numberplates for the same or lower price, you'll be refunded a full 10% of your purchase price.

Comprehensive service money back guarantee

If you ever make any suggestions for improving the service you receive that are subsequently adopted by Hills Numberplates, you will receive a £250 bonus against future business as a thank you for helping improve Hills service to you and other customers.

Your order will be right or you'll get your money back guarantee

When you place an order with Hills you are guaranteed it will be right. If through no fault of your own Hill ever delivers an incorrect numberplate, the cost of that numberplate will be refunded in full and you will receive a correct pair of replacement plates free of charge to you.
